Lincoln Speeches Abraham Lincoln 2012-08-28 The defining rhetoric of Abraham Lincoln - politician, president, and emancipator Penguin presents a series of six portable, accessible, and—above all—essential reads from American political history, selected by leading scholars. Series editor Richard Beeman, author of *The Penguin Guide to the U.S.*

Constitution, draws together the great texts of American civic life to create a timely and informative mini-library of perennially vital issues. Whether readers are encountering these classic writings for the first time, or brushing up in anticipation of the 50th anniversary of the Civil Rights Act, these slim volumes will serve as a powerful and illuminating resource for scholars, students, and civic-minded citizens. As president, Abraham Lincoln endowed the American language with a vigor and moral energy that have all but disappeared from today's public rhetoric. His words are testaments of our history, windows into his enigmatic personality, and resonant examples of the writer's art. Renowned Lincoln and Civil War scholar Allen C. Guelzo brings together this volume of Lincoln Speeches that span the classic and obscure, the lyrical and historical, the

inspirational and intellectual. The book contains everything from classic speeches that any citizen would recognize—the first debate with Stephen Douglas, the "House Divided" Speech, the Gettysburg Address, the Second Inaugural Address—to the less known ones that professed Lincoln fans will come to enjoy and intellectuals and critics praise. These orations show the contours of the civic dilemmas Lincoln, and America itself, encountered: the slavery issue, state v. federal power, citizens and their duty, death and destruction, the coming of freedom, the meaning of the Constitution, and what it means to progress.

The Life and Writings of Abraham Lincoln Abraham Lincoln

2012-06-13 Abraham Lincoln, the greatest of all American presidents, left us a vast legacy of writings, some of which are among the most famous in our history. Lincoln was a marvelous writer—from the humblest letter to his great speeches, including his inaugural addresses, the Emancipation Proclamation, and the Gettysburg Address. His sentences were so memorably crafted that many resonate across the years. "Fourscore and seven years ago," begins the Gettysburg Address, "our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal." In 1940, the prolific author and historian Philip Van Doren Stern produced this volume as a guide to Lincoln's life through his writings. Stern's "Life of Abraham Lincoln" is a full biography of the man and includes a detailed chronology. Stern has collected all the essential texts of Lincoln's public life, from his first public address—a stump speech in New Salem, Illinois, in 1832 for an election he went on to lose—to his last piece of public writing, a pass to a congressman who was to visit the president the day after Lincoln went to Ford's Theater on April 14, 1865. Some 275 such documents are collected and placed in their historical context. Together with the "Life" and the Introduction, "Lincoln in His Writings," by noted historian Allan Nevins, they give a full and vivid picture of Abraham Lincoln.

The Speeches and Writings of Abraham Lincoln Abraham Lincoln

2018 The definitive Library of America edition of Lincoln's essential writings, now in a deluxe two-volume boxed set. Abraham Lincoln, America's heroic Civil War president, was also the greatest writer ever to occupy the White House. His addresses at Gettysburg and at his inaugurals, his presidential messages and public lectures, are an essential record of the war and have forever shaped the nation's memories of it. This deluxe two-volume boxed set gathers *Abraham Lincoln: Speeches and Writings 1832-1858* and *Abraham Lincoln: Speeches and Writings 1859-1865*, first published in 1990, which together have been hailed as the best selection of Lincoln's writings available today, perhaps the best ever (*Christian Science Monitor*). Edited by the late historian Don E. Fehrenbacher, these two books include all Lincoln's significant works from the entirety of his public life, including both sides of the complete Lincoln-Douglas debates, dozens of speeches, hundreds of personal and political letters, communications to the generals in the field, presidential messages and proclamations, poems, and private reflections on democracy, slavery, and the meaning of the Civil War's immense suffering. This is the definitive Lincoln for the general reader, a momentous and thrilling addition to any private library in the words of the great literary critic Alfred Kazin. Abraham Lincoln Lord Charnwood 2008-01-11 No other narrative account of Abraham Lincoln's life has inspired such widespread acclaim as Lord Charnwood's *Abraham Lincoln: A Complete Biography*. Lord Charnwood has given us the most complete interpretation of Lincoln as yet produced, and he has presented it in such artistic form that it may well become a classic. Many contemporary historians consider this thorough and superbly crafted work the quintessential biography of one of America's greatest presidents. Charnwood's study of Lincoln's statesmanship introduced generations of Americans to the life and politics of Lincoln, and the author's observations are so comprehensive and well supported that any serious study of Lincoln must respond to his conclusions. This is essential reading for anyone interested in Abraham Lincoln, the Civil War, or American political history. Praise for *Abraham Lincoln*: "Lord Charnwood has given us the most complete interpretation of Lincoln as yet produced, and he has presented it in such artistic form that it may well become a classic". —*American Historical Review* "This book is bound to take first rank in the literature of Lincoln, and in many respects it may be pronounced the best of the biographies". —*The Nation* "Lord Charnwood's remains the best Lincoln biography". —*The Weekly Standard* Publisher : General Press

[The Lincoln-Douglas Debates](#) Harold Holzer 2009-08-25 This authoritative edition of the Lincoln-Douglas debates from a leading Lincoln historian brings to life the passions that divided nineteenth-century America. The seven debates between Abraham Lincoln and Stephen Douglas held during the Illinois senatorial race of 1858 include some of the most important statements in American political history. Taken together, they embody the nation's dramatic struggles over the issues that would lead to the Civil War: the virtues of a republic and the evils of slavery. So contentious were these debates that two newspapers attempted to record and publish the proceedings verbatim. In this acclaimed book, Lincoln historian Harold Holzer brings us as close as possible to what Lincoln and Douglas actually said. Using transcripts of Lincoln's speeches as recorded by the pro-Douglas newspaper, and vice-versa, he offers the most reliable and accurate record of the debates available. Also included are background on the sites, crowd comments, and a new introduction. "A vivid, boisterous picture of politics during our most divisive period. . . . This fresh, fascinating examination . . . deserves a place in all American history collection[s]."—Library Journal
